NOTES:
1. Pages 1 and 2 are from the twice-weekly newspaper SOVETSKIY PATRIOT of 6 June 1984 and page 3 is from SOVETSKIY PATRIOT of 27 June 1984. Pages 4 and 5 contain the same listing sorted by oblast' number.
2. The abbreviation RRS on pages 4 and 5 stands for rayons of republic subordination, in other words a group of county-level units within a union republic, directly subordinate to it, and with no oblast'-level unit in between.
3. There are 184 oblast'-level units numbered from 001 to 191. Numbers 011, 032, 035, 061, 116, 171, and 172 are missing.
4. The "letter-letter" indicators shown below are believed to provide unique identification for all six-character calls outside the RSFSR. The "number-letter" indicators for calls within the RSFSR, however, do so only if they follow one of the following prefixes: UA, RA, UV, RV, UW, RW, UZ, or RZ.

RSFSR (A, V, W, Z).
